Scale: NTS		
Title: StoSilent Access Panel - For 25mm panels Article Number : 07166-003		
<small>Neighbouring works are represented only schematically. This detail is a proposal which describes the basic function of the StoSilent Distance Acoustic System. The detail solution does not result in any liability for the company Sto Ltd. As the specific nature of the project in question was not known, no allowance is made for it in the solution, if necessary, the solution must be modified by a suitably trained Architect / Planner / Contract Administrator / Applicator after examining the project and local conditions as well as all construction law and other rules and regulations (e.g. Fire protection , physical properties, technical principles etc.) Use of this solution does not absolve the Architect / Planner / Contract Administrator / Applicator / User of their duty to examine local conditions and to observe any applicable rules and regulations.</small>
